

2016 Awards for Excellence

The Council invites nominations for their annual Awards for Excellence.

Our Awards for Excellence were introduced to highlight the importance of parent involvement and recognise parents who give so much of their time and energy to their children's schools. The awards allow affiliated schools and parents' associations to recognise the work that so often goes unacknowledged.

There are three categories:

- **Award for Excellence: Individual Parent.** This award recognises exceptional contribution and dedication by a parent, either for an individual event or over a number of years.
- **Award for Excellence: Parent Group.** This award recognises exceptional contribution and dedication by a parent group, either for an individual event or over a number of years.

The Council also recognises the important role played by the school in developing parental involvement. Our final category gives your parent association a chance to acknowledge the school's work:

- **Award for Excellence: Principal.** This award recognises your principal for their efforts in actively engaging with your parent community and encouraging parental involvement with your school.

Nominations close on 31st May 2016

The awards presentations will take place at our AGM on Friday, 24th June 2016: all are welcome to attend.
